

# School Social Work with Deaf & Hard of Hearing Children

**Scholarships & Stipends Available**

**Obtain Your MSW with a Specialization in School Social Work!**

Gallaudet University's Department of Social Work has obtained a grant from the United States Department of Education/Office of Special Education to train school social workers to work with diverse deaf and hard of hearing children. Recipients of the grant receive a 1/2 tuition waiver and a generous stipend. A wide variety of school internships enhances the educational experience. This program is accredited by CSWE and is a part of the Professional Education Programs (PEP) Unit at Gallaudet University, which is accredited by the National Council for the Accreditation of Teacher Education (NCATE).
